The Humane Society for the Prevention of Cruelty to Animals is a non-profit, Section 501(c)(3) organization founded in 1902 to address animal welfare issues in central South Carolina. Since that time, The Humane Society has evolved into an organization focused on ending animal cruelty, neglect and overpopulation through spay/neuter surgeries and cruelty investigations. The Humane Society receives no government funding and is entirely supported through operations of its spay/neuter clinic and through generous donations from caring individuals like you.
