The Humane Society

The Humane Society is the Midlands's only privately funded animal welfare organization tasked with ending animal cruelty in our community. As an organization, The Humane Society is focused on tangible solutions that confront animal abuse and that educate our community and its leaders on the benefits of proactively fighting animal cruelty.

The Humane Society's core belief underscores the importance of fighting animal cruelty.

“The greatness of a nation and its moral progress can be judged by the way its animals are treated.”

-Mahatma Ghandi

Every dollar raised from Woofstock will be used to fight animal cruelty and help fund our Spay/Neuter Clinic. Your sponsorship and your participation in building a better community are greatly appreciated.
