

Humane Society South Carolina

SPAY IT FORWARD

The Humane Society South Carolina is a nonprofit organization dedicated to improving the lives of animals. One of the ways we achieve this is by spaying and neutering cats and dogs to prevent unwanted litters and reduce the number of animals that end up in shelters. Spaying and neutering not only helps to control the population of animals, but it also has health benefits for the animals themselves. Spaying and neutering can reduce the risk of certain types of cancer and can also help to prevent certain behavioral issues in pets.

This holiday season, we are asking our supporters to Spay it Forward. Every day we receive messages from low/no income members of our community who are in desperate need to spay and neuter their pets. With your support, the Humane Society can provide spaying and neutering procedures for dogs and cats who might not have access to these services otherwise.

Sponsor a Spay or Neuter

\$50.....	1 cat neuter
\$80.....	1 cat spay
\$100.....	1 dog neuter
\$120.....	1 dog spay

Join Our Mission

The Humane Society has taken a proactive step towards reducing the number of unwanted pets by hiring two veterinarians to our team this year. By increasing the number of spay and neuter surgeries performed, we are one step closer to our mission to end animal cruelty, neglect and overpopulation. Help us make a difference this holiday season by Spaying it Forward to those who need it the most.

GIVING
TUESDAY

Nov
28th

Giving Tuesday is a movement to create an international day of charitable giving. The goal is to encourage people all around the globe to show compassion and generosity to organizations and individuals in need. This year for Giving Tuesday, the donations we receive will go to Spay it Forward. If you would like to donate online, please go to www.humanesc.org.
